Groups

Groups

Our groups are organised according to age so that our children are given the best possible opportunities for development during their time at The English Nursery.

Currently our groups are:

Moons- 1-3 Year Olds

Planets- 4-5 Year Olds

Suns- 5-6 Year Olds

The children are placed in the different groups based on their age and their birth date.

For example: Children that turn 5 before August 30th would be placed in the Suns group whilst children that turn 5 after August 30th would be placed in the Planets group.
